Synonyms 同义词辨析

regard

call • find • consider • see • view

These words all mean to think about sb/sth in a particular way. 以上各词均含认为、视为、看待之义。

regard to think of sb/sth in a particular way 指认为、视为、看待：*He seemed to regard the whole thing as a joke.* 他似乎是把整件事当成玩笑。

call to say that sb/sth has particular qualities or characteristics 指认为…是、把…看作：*I wouldn't call German an easy language.* 我并不认为德语是一门容易学的语言。

find to have a particular feeling or opinion about sth 指认为、感到：*You may find your illness hard to accept.* 你可能觉得难以接受自己患病。

consider to think of sb/sth in a particular way 指认为、视为、觉得：*Who do you consider (to be) responsible for the accident?* 你认为谁对这个事故负有责任？

REGARD OR CONSIDER? 用 regard 还是 consider？

These two words have the same meaning, but they are used in different patterns and structures. In this meaning **consider** must be used with a complement or clause: you can *consider sb/sth to be sth* or *consider sb/sth as sth*, although very often the *to be* or *as* is left out. 上述两词意义相同，但用于不同的句型和结构。用于此义时，consider 必须与补语或从句连用，可说 consider sb/sth to be sth 或 consider sb/sth as sth，不过 to be 或 as 常常省略不用：*He considers himself an expert.* 他认为自己是专家。◇ *They are considered a high-risk group.* 他们被视为高危人群。 You can also *consider that sb/sth is sth* and again, the *that* can be left out. 用 consider that sb/sth is sth 亦可，that 同样可以省略。 **Regard** is used in a narrower range of structures. The most frequent structure is *regard sb/sth as sth*; the *as* cannot be left out. * regard 可用的句型结构较少，最常用的结构是 regard sb/sth as sth，但 as 不可省略：~~*I regard him a close friend.*~~ You cannot 不能说：~~*regard sb/sth to be sth*~~ or 或 ~~*regard that sb/sth is sth*~~. However, **regard** (but not **consider** in this meaning) can also be used without a noun or adjective complement but with just an object and adverb (*sb/sth is highly regarded*) or adverbial phrase (*regard sb/sth with suspicion/jealousy/admiration*). 不过，regard 亦可不与名词或形容词补语连用，只与宾语和副词（如 sb/sth is highly regarded）或副词短语（如 regard sb/sth with suspicion/jealousy/admiration）连用；consider 则不能这样用。

see to have an opinion of sth 指认为、看待：*Try to see things from her point of view.* 设法从她那个角度去看问题。

view to think of sb/sth in a particular way 指视为、认为、看待：*How do you view your position within the company?* 你如何看待你自己在公司中的位置？
NOTE **View** has the same meaning as **regard** and **consider** but is slightly less frequent and slightly less formal. The main structures are *view sb/sth as sb/sth* (you cannot leave out the *as*) and *view sb/sth with sth*. * view 与 regard、consider 意义相同，但较不常用，也较非正式。主要结构有 view sb/sth as sb/sth（as 不能省略）和 view sb/sth with sth。
